

TEAM MINISTRY SKILLS

This seminar, run in partnership with Christian Projects, assists in leadership development and will provide practical skills for increasing organisational effectiveness.

Content includes team building, personality differences, communication skills, priorities and delegation, supervision, conflict and change management.

A harmonious team in a larger church will increase your impact toward effective mission. Learn how to develop teams, apply leadership skills in organisations and enlarge the capacity and character of your team.

For credit towards Undergraduate and Postgraduate awards with Sydney College of Divinity contact the ACOM National Office 1800 672 692.

Ted Keating

Facilitator

Ted (B.A., B.D., L.Th., Dip.R.E., M.Min., T.P.T.C) has been in ministry with Churches of Christ for 40 years.

Ted has had a passion for many years towards developing the leadership skills of others and has helped pioneer the post graduate training associated with the Master of Arts (Church Leadership).
