It is the task of the spiritual leader to discern God's kingdom agenda for their context and to participate in the continual movement of the mission of Christ wherever they are. This requires a continual wrestling with what it looks like for 'your kingdom come' in our place and our time, to understand the challenges and opportunities and to step boldly with others into the reality of this Kingdom movement here and now.

This 3 day facilitation will focus on sharpening leaders understanding of the Kingdom agenda for the church and leaders, a vision for aligning discipling communities around kingdom-community engagement, and explore strategies for shifting towards a kingdom-centric vision of ministry both within the church and the community.
DR. REGGIE MCNEAL

The 3 day facilitation will be led by Reggie McNeal (B.A., M. Div., Ph.D.). Dr. Reggie McNeal serves as the Missional Leadership Specialist for Leadership Network of Dallas, TX.
