IN JUNE 2019, ACOM IS HOSTING
A TWO WEEK FIELD PLACEMENT
EXPERIENCE IN BANDUNG, INDONESIA.

OVERVIEW

Indonesia has a population of approximately 240 million people, 160 million of which are Muslims, making Indonesia the country with the largest Muslim population in the world.

In Partnership with Envision* Indonesia ACOM invites students, alumni, and friends of ACOM to participate in what God is doing to extend His master plan in Indonesia.

Participants will have opportunity to learn some of the language and culture of the Indonesian people and to work alongside local Pastors and congregations in sharing the Good News. Envision Indonesia have a number of ministry partners within the city of Bandung.

These include a local orphanage and women's refuge, an English school for local university students, a soccer ministry to the local children as well as a young men prison.

Hosted by Neale and Susan Meredith, participants will engage in a variety of these partner programs, as well as have the opportunity for a home stay with a local Muslim family.

Students wishing to engage in the field experience unit for credit toward an undergraduate or postgraduate degree will enrol in Trimester 2 2019 in M7286/M8586 Engaging in Intercultural Ministry. This will involve pre-reading prior to the trip as well as a reflective assessment on return.
