Churches

Are you looking to start an Internship Program in your church?

ACOM can help get you started!

- **Practical Ministry**
- **Accredited Training**
- **Mentoring and Supervision + More!**

Students can enrol in either an Undergraduate Certificate in Ministry or a Graduate Certificate in Arts.

These are designed to be very practical and experienced based. The emphasis is on giving students a hands-on learning experience that is grounded in their current ministry context – your church! Students have one year to complete four units for either Certificate. Fee-Help is available for eligible students.

Joining with other Churches in your area to provide the internship is also a great option.

What does your year look like?

Trimester 1

Spiritual Formation
Supervised Ministry

Trimester 2
